OWN YOUR CUSTOMER. OWN YOUR DELIVERY. OWN YOUR GROWTH.

With the powerful integration of Truffle POS Systems and Pidge Delivery Platform, food businesses can build their own customer ecosystem, manage end-to-end restaurant operations, and deliver orders efficiently — all from one connected platform.

Smart Ordering POS Management pidge Pidge Integration Live Tracking

Manage billing, online orders, POS operations, inventory, kitchen workflows, delivery coordination, and customer experience through one smart and connected restaurant management platform.

01 DIRECT CUSTOMER ORDERING

Own Your Customer Ordering Experience

Allow customers to place orders directly through your own ordering platform and mobile app without depending completely on third-party aggregators.

FEATURES

- ✓ Direct Mobile App Ordering
- ✓ QR Code Ordering
- ✓ Restaurant-Controlled Discounts
- ✓ Loyalty & Reward Programs
- ✓ Customer Database Management
- ✓ Better Profit Margins

02 POS ORDER MANAGEMENT

Centralized Restaurant Operations

Manage all incoming customer orders directly from the POS system with faster billing, kitchen coordination and smooth order handling.

FEATURES

- ✓ Unified POS Dashboard
- ✓ Order Queue Management
- ✓ Kitchen Order Routing
- ✓ Faster Billing Operations
- ✓ Multi-Order Handling
- ✓ Real-Time POS Updates

03 PIDGE DELIVERY INTEGRATION

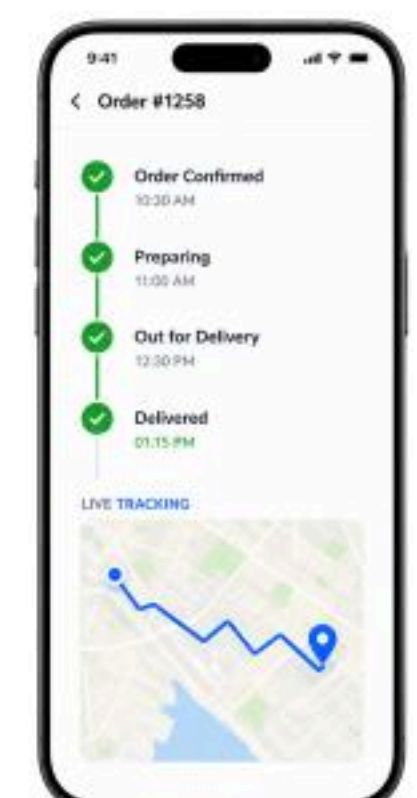

Smart Delivery Management

Automatically assign delivery partners through Pidge integration for optimized delivery routing, faster dispatch management, and real-time delivery synchronization.

FEATURES

- ✓ Automatic Rider Allocation
- ✓ Smart Delivery Routing
- ✓ Real-Time Delivery Sync
- ✓ Delivery Dispatch Management
- ✓ Delivery Status Updates
- ✓ Faster Delivery Operations

04 LIVE TRACKING & ON-TIME DELIVERY

Real-Time Delivery Visibility

Provide customers with live order tracking, accurate delivery timelines, and seamless delivery experiences similar to major food delivery platforms.

FEATURES

- ✓ Live Delivery Tracking
- ✓ Real-Time Delivery Updates
- ✓ Accurate ETA Visibility
- ✓ On-Time Delivery Monitoring
- ✓ Improved Customer Trust
- ✓ Better Delivery Experience

ONE CONNECTED PLATFORM FOR ORDERING, POS & DELIVERY OPERATIONS

LAUNCH YOUR AI-POWERED HOSPITALITY BRAND

WHITE LABEL & PARTNER SOLUTIONS

Truffle empowers entrepreneurs, POS resellers and technology partners to launch their own AI-powered hospitality SaaS brand under their own identity.

Offer Cloud POS, QR Ordering, Kitchen Management, CRM, Loyalty and AI-powered analytics without building software from scratch.

Launch faster, invest less and earn recurring monthly revenue from restaurant clients.

AI-POWERED HOSPITALITY SOLUTIONS

CLOUD POS & BILLING

Fast, secure, and efficient restaurant billing solutions.

QR ORDERING SYSTEM

Contactless digital menu and table ordering experience.

KITCHEN AUTOMATION

Streamline kitchen operations with real-time order management.

CRM & LOYALTY

Build customer engagement with loyalty programmes and CRM tools.

MULTI-OUTLET MANAGEMENT

Manage multiple restaurant branches from a centralised platform.

REPORTS & BUSINESS ANALYTICS

Monitor restaurant performance with intelligent dashboards and insights.

AI-POWERED HOSPITALITY FEATURES

AI SALES ANALYTICS

Track business performance with intelligent sales insights.

SMART INVENTORY FORECASTING

Reduce wastage and optimise inventory management.

CUSTOMER BEHAVIOUR INSIGHTS

Understand customer preferences and ordering patterns.

AI CRM & LOYALTY

Improve customer retention with smart engagement tools.

AUTOMATED REPORTS

Generate real-time operational and sales reports automatically.

SMART KITCHEN ANALYTICS

Improve kitchen efficiency and order flow management.

WHY CHOOSE TRUFFLE WHITE LABEL SOLUTIONS?

FASTER MARKET ENTRY

Launch your hospitality SaaS business quickly without building software from scratch.

LOW INVESTMENT MODEL

Avoid heavy development costs and infrastructure expenses.

RECURRING REVENUE OPPORTUNITY

Generate monthly subscription income from restaurant clients.

CLOUD-BASED INFRASTRUCTURE

Reliable, scalable, and secure technology platform.

CUSTOM BRANDING

Operate entirely under your own company identity.

DEDICATED TECHNICAL SUPPORT

Focus on sales and growth while Truffle manages backend technology support.

SCALABLE BUSINESS GROWTH

Expand across cities, franchises, and restaurant chains.

REVENUE OPPORTUNITIES

Create multiple income streams through your hospitality technology business:

- ✓ Monthly SaaS Subscription Revenue
- ✓ Restaurant Setup & Deployment Charges
- ✓ Annual Maintenance Contracts (AMC)
- ✓ Hardware Sales Margin
- ✓ Training & Support Services
- ✓ Franchise Expansion Opportunities

WHO CAN BECOME A PARTNER?

This programme is ideal for:

- ✓ POS Resellers
- ✓ Software Agencies
- ✓ Technology Consultants
- ✓ Restaurant Consultants
- ✓ Startup Entrepreneurs
- ✓ Digital Service Providers
- ✓ Technology Distributors
- ✓ Franchise Consultants
- ✓ Hospitality Service Providers

HOW PARTNERSHIP WORKS

- STEP 1**
Launch your AI-enabled hospitality SaaS brand.
- STEP 2**
Acquire restaurants, cafés, and food businesses.
- STEP 3**
Deploy Truffle-powered solutions under your branding.
- STEP 4**
Earn recurring monthly subscription revenue.
- STEP 5**
Scale your business across cities and franchise chains.

LAUNCH YOUR AI-ENABLED POS SAAS BRAND

Start your hospitality technology business with low investment, enterprise-grade infrastructure, and recurring revenue opportunities.

WHY TRUFFLE?
